Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Kian Harber)

THE ISLAND OF LOST DOLLS

Andrews UK Limited, United Kingdom, 2013. Paperback. Book Condition: New. Standard ed.. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Kellie had a dragon living the paddock at the back of her house. She also had trolls, but she didn't know about them yet. The dragon hadn't been there very long and it had never spoken. It hadn't breathed fire, nor roared a scary roar. But that was because it was made from wood. When a large tree branch dried out it looked a lot like a dragon with a long forked tail, four wriggly limbs protruding from a thick body, and a large mouth where the branch had separated from the tree. It looked fearsome enough but when Kellie and her Dad had finished with the paint tins, it looked even scarier. Kellie called it David the Snake Dragon. In this fast-moving and exciting book for early readers, which is also designed for parents to read to their children, Kellie and Gregory discover that their favourite toys have been stolen and David comes to life. He takes the children to the Island of Lost Dolls, a place where lost dolls used to live happily ever after, but when a wicked doll declares herself queen she makes all the dolls her slaves. Kellie Gregory and David with the help of the mysterious Regina must fight to save not only their own toys but all the others too.
