Unearthing Fossils (Paperback)

By Tamra B Orr

Cherry Lake Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The ability to use the NextGen science process is key to carrying out experiments, taking measurements, or performing technical tasks. In this book, readers in real-world situations are tasked with following clues and using the NextGen science process to find out about unearthing fossils. Informational text presents evidence and facts in the form of clues and side-bar details to help children develop critical thinking skills. A summary of the situation is included to show how each chapter contributes to the whole and for a solid understanding of the topic.
