AWAKENING AMERICA

Friesenpress, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This little handbook for America illustrates a journey on the spiritual path that sets a clear course into discovery. As we peruse its pages we begin to feel the author's joyful certainty that a sincere dedication to find the truth will bear fruit for all who are willing to seek it. The author's vision is that America finds in the spiritual path a new dream of liberty that is reachable! A sweet pure love for America pours through the author's experiences with the deep conviction that America is so glorious that she can transcend beyond politics as usual and that America herself carries forward her flag of honor. We all reap the glory of our sacred founding documents as we catch this vision. Through the story of the author's committed spiritual quest are discussions of Ascended Masters, reincarnation, revelation, body cleansing, communion, and how to cope with energy projections, all explored as tools toward spiritual seasoning. It appears that spiritual enlightenment can come through a careful personal cultivation of harmony and peace. This book ushers in a spiritual renewal for America.
