Apparently optimism. Optimists achieve better results, and are even healthier, according to studies conducted in a number of places around the world. But can we raise our children to be optimistic? Isn't optimism an inborn trait? But what can we do when a witch comes along who sees everything through dark colored glasses? How can we overcome her negativity? Talia Hieman, a coach affiliated with ICF, teaches us through this book, methods she has applied to many children, as well as to her own - to develop positive thinking in youngsters. The book offers simple, practical tools that all parents can provide in their own homes, plus endow their children with, and in effect, also themselves. A bedtime story? Make sure it will be positive and educational, while also helping your child acquire tools that will promote him in all areas of his life.
