Condition: New. Publisher/Verlag: Random House US | A Novel | Together these three lonely souls - abandoned daughter Jenna Metcalfe, disgraced psychic Serenity Jones and cynical detective Virgil Stanhope who investigated Jenna's mother's disappearance, will discover truths destined to forever change their lives. Deeply moving and suspenseful, Jodi Picoult's novel is a radiant exploration of the enduring love between mothers and daughters. | Throughout her blockbuster career, no. 1 internationally bestselling author Jodi Picoult has seamlessly blended nuanced characters, riveting plots, and rich prose, brilliantly creating stories that "not only provoke the mind but touch the flawed souls in all of us" (The Boston Globe). Now, in her highly anticipated new book, she has delivered her most affecting novel yet-and one unlike anything she's written before. For more than a decade, Jenna Metcalf has never stopped thinking about her mother, Alice, who mysteriously disappeared in the wake of a tragic accident. Refusing to believe that she would be abandoned as a young child, Jenna searches for her mother regularly online and pores over the pages of Alice's old journals. A scientist who studied grief among elephants, Alice wrote mostly of her research among the animals she loved, yet Jenna hopes the entries will provide a clue to her mother's whereabouts. Desperate to find the truth, Jenna enlists two unlikely allies in her quest. The first is Serenity Jones, a psychic who rose to fame finding missing persons-only to later doubt her gifts. The second is Virgil Stanhope, a jaded private detective who originally investigated Alice's case along with the strange, possibly linked death of one of her colleagues. As the three work together to uncover what happened to Alice, they realize that in asking hard questions, they'll have to face even harder answers. As Jenna's memories dovetail with the events in her...
