By Peter Eli Gordon

University of California Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Franz Rosenzweig (1886-1929) is widely regarded today as one of the most original and intellectually challenging figures within the so-called renaissance of German-Jewish thought in the Weimar period. The architect of a unique kind of existential theology, and an important influence upon such philosophers as Walter Benjamin, Martin Buber, Leo Strauss, and Emmanuel Levinas, Rosenzweig is remembered chiefly as a Jewish thinker , often to the neglect of his broader philosophical concerns. Cutting across the artificial divide that the traumatic memory of National Socialism has drawn between German and Jewish philosophy, this book seeks to restore Rosenzweig s thought to the German philosophical horizon in which it first took shape. It is the first English-language study to explore Rosenzweig s enduring debt to Hegel s political theory, neo-Kantianism, and life-philosophy; the book also provides a new, systematic reading of Rosenzweig s major work, The Star of Redemption . Most of all, the book sets out to explore a surprising but deep affinity between Rosenzweig s thought and that of his contemporary, the German philosopher Martin Heidegger. Resisting both apologetics and condemnation, Gordon suggests that...
