Second Edition (2012). This book is about the experience of one soldier, Bill Cain, his family, and the 42nd Field Artillery Brigade. Bill and his wife, Renee, were among those affected greatly by this historic event. His book, Crossing the Line, is based on their experiences, fears, and concerns during that time. Renee was eight months pregnant when Bill deployed to Saudi Arabia as the Brigade Intelligence Officer for the 42nd Field Artillery Brigade (attached to Seventh Corps). Soldiers of the 42nd played a key role in winning the fight in Kuwait, giving the Corps Commander the flexibility to mass fires all across the fight. With the subsequent events of 9/11 and the invasion of Iraq and Afghanistan, Desert Storm has dropped from view. In this book, Bill Cain resurrects the story of Desert Shield/Desert Storm and demonstrates the significance that it played in the changing and dangerous world in which we live and how it helped create the conditions that exist in the world today. This book will bring back memories, arouse...
