Pearson Education ESL, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Project Success is a new six-level, four-skills series with a strong focus on workplace skills and 21st-century challenges. Geared toward adults and young adults, this highly engaging videobased program teaches English by involving students in real-life professional situations. This blended digital course, the first of its kind for adult education English language learners, provides video, audio, digital, and print materials to guide teacher-student interaction in the classroom. All materials are integrated for seamless blending of classroom and independent learning. Each level of Project Success presents a different workplace setting. Students learn situational language, employment, and educational skills as they watch interactions with co-workers, customers, family, and friends in a variety of workplace and personal situations. This practical focus enables students to learn and hone everyday life skills as well as critical thinking skills for the workplace and for further education. Features: ActiveTeach digital-teaching platform blends the Student Book with interactive presentation software, and point-of-use teaching tips help direct the classroom experience. Video vignettes model key competencies in realistic settings, with opportunities for students to practice the competency in pairs and groups. Students...
