She was the best of the best, so when she had a daughter, much was expected of her. Vyria Rose was born to follow in her mother's footsteps?but she just can't seem to make the grade. She loves figure skating, but she has yet to turn in a winning performance. In frustration, her mother decides to take on a new student named Alice. Vyria, feeling rejected and jealous of her mother's new pupil, turns her focus to school and her grades. She misses figure skating, though, and she still dreams of doing something magical on the ice. Adventurous and brave, Vyria suddenly has a wild idea. Why not mix acrobatics with figure skating? She gets a team together, and they plan to be showstoppers. They'll use a jump board and add gymnastics to their performances on the ice. Now only time will tell whether Vyria will grow into a future that will make her happy with herself and her own abilities.
