Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Divine Songs is a classic and inspirational collection of religious poetry by Isaac Watts. Verse was at first designed for the service of God, though it hath been wretchedly abused since. The ancients among the Jews and the Heathens taught their children and disciples the precepts of morality and worship in verse. The children of Israel were commanded to learn the words of the song of Moses, Deut. 31. 19,30. And we are directed in the New Testament, not only to sing with grace in the heart, but to teach and admonish one another by hymns and songs, Eph. 5. 19.
