Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

RANDOM HOUSE AUSTRALIA, 2012. Paperback. Condition: New. 3. A gloriously indulgent romantic comedy set in the little town of Cypress Hollow. Lucy never forgot 'The Kiss'. Or the bad boy she shared it with. Now, 17 years later, he's back - and, dammit, he's still sexy as hell. As owner of The Book Spire in the sleepy town of Cypress Hollow, Lucy Harrison isn't used to too much excitement. But in one night all that changes when Owen Bancroft walks back into her life and sparks - quite literally - fly. The question is, does he even remember their one perfect kiss? And, perhaps more importantly, does she really want him to? Then, when a secret stash of books and lost patterns by world-famous knitting guru Eliza Carpenter are discovered in the Bancroft family home, the pair are thrown together once more. There's no denying the electricity between them - but this time will 'bad penny' Owen prove to be heart-stealer or heart-breaker?. Paperback.
