Ballantine Books, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. In Molly Shapiro s fun and sexy debut novel, four women try to sort through the wild and complicated world of text messaging, status updates, and other high-speed connections. Best friends and fellow midwesterners Katie, Annie, Maxine, and Claudia are no strangers to dealing with love and relationships, but with online dating and social networking now in the mix, they all have the feeling they re not in Kansas anymore. Katie, a divorced mother of two, secretly seeks companionship through the Internet only to discover that the rules of the dating game have drastically changed. Annie, a high-powered East Coast transplant, longs for a baby, yet her online search for a sperm donor is not as easy--or anonymous--as she anticipates. Maxine, a successful artist with a seemingly perfect husband, turns to celebrity gossip sites to distract herself from her less-than-ideal marriage. And Claudia, tired of her husband s obsession with Facebook, finds herself irresistibly drawn to a handsome co-worker. As these women navigate the new highs and lows of the digital age, they each find that their wrong turns lead surprisingly to the right click and, ultimately, the connection they were seeking.
