Trafford Publishing, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every serious student of the Bible desires to understand the text, discover the biblical principles, and apply the truths to his/her life. This commentary is designed to help students, pastors, and Bible teachers understand the gospel of Luke in a simple manner. Working from the popular New International Version (NIV), the author provides helpful commentary on the text verse by verse. This verse-by-verse commentary is different from others in two respects. First, it is brief, while some commentaries are unnecessarily wordy and verbose. Second, it is Pentecostal in outlook. This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible. The Gospel of Luke along with Acts form a two-volume history. The author of Luke wrote this Gospel for the purpose of touching many hearts. Luke is the most pluralistic of the gospels, making it tailor-made for the modern world.
