Res; 223, a Resolution Authorizing the Purchase and Installation of an Electrical and Mechanical System of Voting in the House of Representatives** The committee this day met, Hon. James T. Lloyd (chairman) presiding. The Chairman. We have met this morning for the purpose of having a hearing on House resolution No. 223, introduced by Mr. Howard. Mr. Howard is here and we will be glad to hear from him. Statement Of Hon. William S. Howard, A Representative In Congress From The State Of Georgia. Mr. Howard. Mr. Chairman, this is a resolution introduced by me at the suggestion of several of the officials of the House and many Members of the House. The purpose of this legislation is to appoint a committee to investigate the advisability of purchasing a system by which the vote of the House can be recorded accurately and more promptly than it is under the present system. During a long session of Congress some mathematician, a Member of the House, figured the time consumed by Congress in calling the roll during that session of Congress, and it amounted, I think, to 56 days of that long session. That was the time consumed in roll calls. There is another evil about our present system, and I think the Speaker and the chairman of every prominent committee in the House, and all of the old Members who have been here for years, will agree that under the present system the business of Congress being so great, and the work falling upon the...
