Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It all happened once upon a time of heroes, a time when mankind was young again. The Goyan people rose from the ashes of the Great Sorrow, when the light of civilization flickered and was almost extinguished. Technology, science and history were all turned to dust, along with Man's mightiest empires. Those that endured through those troubled times did so at great cost. Civilization itself crumbled and was all but lost in the purge that nearly ended the Race of Man, until a time immemorial - a time of myth and legend - came to pass. It was the Age of Rebirth, a time when mankind gathered again in thriving agrarian communities and city-states powered by commerce, by wind and by steam. Alas not all wickedness turned to ashes. Evil endured and thrived in exile. Ancient Goyan prophecy spoke of the day when false gods and false prophets would descend upon the land from the skies above, not to foster hope, but to divide, enslave and destroy. The prophecy foretold the coming of the mighty Slayers and their flying ships. It foresaw the destruction they would visit upon the land. What the prophecy did not foretell was the cunning of three young barbarians, their will to survive against all odds, and the strength of their desire to avenge their murdered people.
