Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is a mill by the Neckar-side, to which many people resort for coffee, according to the fashion which is almost national in Germany. There is nothing particularly attractive in the situation of this mill; it is on the Mannheim (the flat and unromantic) side of Heidelberg. The river turns the mill-wheel with a plenteous gushing sound; the out-buildings and the dwelling-house of the miller form a well-kept dusty quadrangle. Again, further from the river, there is a garden full of willows, and arbours, and flower-beds not well kept, but very profuse in flowers and luxuriant creepers, knotting and looping the arbours together. In each of these arbours is a stationary table of white painted wood, and light moveable chairs of the same colour and material.
