Lannoo, Belgium, 2012. Paperback. Condition: New. Language: English . Brand New Book. Go with Your Talent features fantastic tools for self-management. The book is based on insights from positive psychology. The drastic decisions you make, to do the things that you are good at, is the best way to self-realization and authenticity. It also forms the gateway to contributing to society. By developing both your skills and talent, you automatically become more precious and beneficial to your surrounding environment. Doing the things that you are good at is almost like a life insurance, it guarantees that as you get older you are more likely to enjoy your work and generally, your life. Within the pages of Go with Your Talent Luk Dewulf investigates several different theories, including: how a person s background could be the key to his manual ; how to focus on talent, and how to deal with your weaknesses or those things that do not hold an interest for you. He describes how a certain job and a continuous use of your skills, can lead a person in two different directions: success or burn-out. This book contains practical tools that a person can utilize to their benefit and is based on insights from positive psychology.
