## The Regulation of Rivers (Classic Reprint) (Paperback)

By J L Van Ornum

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Regulation of Rivers A prior knowledge of such essential subjects as Surveying and Hydraulics is assumed, to the extent to which they form a part of the standard college course in Civil engineering. Consequently the scope of the discussion of such introductory features includes only those topics which the author s experience has found necessary in order to insure an adequate comprehension of the whole subject. Figures, statistics, plans and operations are not given exhaustively; but they are, instead, summarized or selected as representative types to illustrate and elucidate fundamental principles. This ordered concentration of treatment, although more difficult to effect, should offer a better grasp and a truer perspective of the general subject than can any other arrangement. The many references in text and footnote are given not only to cite authority and to convey due acknowledgment, but also to particularly direct the attention to a paper or book of great value for desirable collateral reading on the subject under consideration. The complete reports Of the Chief of Engineers, U. S. A., naturally constitute the origin of the..
