

A Damn Close-Run Thing: A Brief History of the Falklands Conflict (Paperback)

Filesize: 2.62 MB

Reviews

*It is one of my personal favorite books. This is certainly for anyone who states there had not been a war worth studying. I found out this ebook from my i and dad advised this pdf to learn.

Shilka Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 1982, the average Briton didn't know the Falkland Islands existed, let alone their status as a disputed British territory just off the coast of Argentina. That changed when the Argentinians invaded the islands and overwhelmed the small defending force. Both nations claimed the islands were theirs, but now Argentina thought the British would give them up without a fight. They were wrong. Britain sent a task force into the South Atlantic to re-take the islands, and the short, intense war that followed was--in the words of Major-General Sir John Jeremy Moore-- a damn close-run thing. This short history sums up the events leading up to the war and its major military actions including details of an Argentinian plan to sink a Royal Navy ship in Gibraltar harbour (foiled at the last minute by Spanish police) and an audacious British plan to land SAS soldiers in Argentina to destroy Exocet-carrying aircraft while they were still on the ground.
