Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Inquest on the Death of Agnes E. Lottimer, Before Dr. George C. Ball, Coroner, Brooklyn, N. Y A garbled report of the following inquest was published in one of the evening papers of New York. The misrepresentations therein made, the interest of the profession in the details of the case, and the urgent request of friends, have induced the coroner to consent to the publication of the testimony. This has been given without note or comment, as it was taken down on the spot. It will not lack interest, or fail to edify.
