

Genealogy of the Stevens Family, from 1635 to 1891: Tracing the Various Branches from the Early Settlers in America (Classic Reprint) (Paperback)

By Frederick S Stevens

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Genealogy of the Stevens Family, From 1635 to 1891: Tracing the Various Branches From the Early Settlers in America This very imperfect genealogy has been gathered into this present form for the purpose of holding fast and placing on record what dates and facts we have of the past and honored history of the stevens families of New England. The subscriber has, after much time and correspondence, secured enough in the way of historical events to make an interesting beginning, so that others of the name may fill up the blank pages, take up the work where I leave off, and so make by rearranging and re compiling the following record, with what may be added, a complete stevens genealogy, in which the numerous descendants of the New England ancestry may take a just and pardonable pride. Although for many years it has been my earnest desire to write out and preserve my family's history, it is only within the past four years that I have come into the possession of the greater part of the historical...
