Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When it comes to true love, can an open mind be more important than an open heart? ***Charmed Fates is a standalone novel; you don't need to read any of the other books in the OmegaDate Diaries series to enjoy this one.*** Spirits, souls and spells, moon-phases, mysticism and magic; these are the amazing phenomena that the world around us is made of. That's how Indigo Lockwood sees things, anyway. Unfortunately, there wasn't a good luck charm in the world that could save him from having his heart broken by an abusive fiancée two years ago, and Indigo's been desperately lonely ever since. Aaron North, on the other hand, doesn't believe in all that mumbo-jumbo. Spending his days writing snarky, skeptical articles for anti-paranormal magazines, Aaron's life is consumed by logic and what's directly in front of him. Love at first sight? Sheer nonsense. Fate? He's not buying it. The fact that his latest gig-an article setting out to debunk a haunted bed breakfast in the quaint town of Crosswinds-thrusts him directly into the path of sexy, free-spirited Indigo is just a coincidence. But is Aaron willing to open up his mind to a world beyond the physical, while Indigo struggles to open up his heart after his devastating loss? And how many coincidences need to occur before they both stop denying destiny? AUTHOR'S NOTE: This book contains hot and lusty male on male action involving frenzied bareback sex, shapeshifting wolves, knotting and a sweet and tender happily-ever-after. Not recommended for those that blush easily.
