Biteback Publishing, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. Once in a while there comes along a story so powerful and so emotive that it makes you re-think your own values. This is the story of Nathan Shapow, a young Latvian, born in Riga, with nothing more on his mind than becoming a world-renowned boxer. However, the sound of jackboots marching across Europe and the systematic extermination of the Jews put paid to his boxing dreams. He was to fight a different sort of fight, one for survival. The prize? His life. Seeing his youth disappear in the squalor of the ghettos and the horror of the camps, Nathan fell back on his previous existence to sustain him. The years of training, the running, the speed work, the three-round amateur fights in the gym, the street fights in Riga and the sheer competitive nature he developed saved him on more than one occasion, especially when he was forced to box for his life against a top German fighter in a concentration camp. THE BOXER S STORY is an extraordinary and powerful true story that reads like a thriller. It will deeply affect everyone who reads it.
