Reviews

This book will be worth getting. Better than never, though I am quite late in starting to read this one. It has been written in an extremely basic way which is only right after I finished reading this book through which it actually altered me, altered the way I believe.

Baen Books. Paperback. Book Condition: new. BRAND NEW, Alternate Generals: v. 2, Harry Turtledove, Leadership makes a difference, as history demonstrates. But there are other factors at work. How would Sir Francis Drake have handled the Spanish Armada if a typhoon hadn't softened up the enemy first? What if history were given a twist or two, and great commanders on land and sea fought their greatest battles under difference circumstances? Turtledove and his colleagues turn the past upside down and inside out, and the possibilities are endless.
