Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Les passages polemiques d un texte religieux constituent souvent la pierre de touche de la credibilite de cette religion. C est pourquoi l interpretation des versets polemiques du Coran est si cruciale. Toutefois, dans l islam sunnite, aucune institution ne peut pretendre donner la seule veritable interpretation du Coran. Les interpretations dominantes du Coran sont ainsi livrees par les auteurs les plus convaincants pour leurs contemporains. Il nous est apparu qu il existait principalement trois auteurs influents dans l islam francophone d aujourd hui: deux contemporains, a savoir le Suisse Tariq Ramadan et le Francais Tareq Oubrou, mais aussi un auteur medieval, le Syrien Ibn Kathir. C est donc essentiellement a partir des explications donnees par ces auteurs que la presente brochure essaie de comprendre les versets polemiques du Coran.
