

## Multimedia Storytelling for Digital Communicators in a Multiplatform World

By Seth (Syracuse University) Gitner

Taylor & Francis Ltd Jul 2015, 2015. Taschenbuch. Condition: Neu. Neuware - Multimedia Storytelling for Digital Communicators in a Multiplatform World is a unique guide for all students who need to master visual communication through multiple media and platforms. Every communication field now requires students to be fluent in visual storytelling skill sets, and as the present-day media adapt to a multiplatform world (with ever-increasing delivery systems from desktops to cell phones), students specializing in different forms of communication are discovering the power of merging new multimedia technology with very old and deep-rooted storytelling concepts. Award-winning journalist and multimedia professor Seth Gitner provides students with the tools for successfully realizing this merger, from understanding conflict, characters, and plot development to conducting successful interviews, editing video in post-production, and even sourcing royalty-free music and sound effects. Incorporating how-to's on everything from website and social media optimization to screenwriting, Multimedia Storytelling aims to be a resource for any student who needs to think and create visually, in fields across broadcast and digital journalism, film, photography, advertising, and public relations. The book also includes a range of supplemental material, including wide-ranging skills exercises for each chapter, interviews with seasoned professionals, key terms, and...
