Emerald Book Company. Paperback. Book Condition: New. Paperback. 236 pages. Dimensions: 7.9in. x 5.5in. x 0.5in. Its tough to save a friendship while youre busy saving the planet. Arlene Harper has dealt with big change before. In fourth grade, she came to the first day of school in new leg braces. But the changes that rock her world this year feel like a total earthquake. Inspired by a social studies unit on our countrys biggest social movements, and perhaps prompted by the cafeterias overflowing garbage cans, Arlene and her friends launch a campaign to reduce their schools carbon footprint. Like most rebellions, they face stiff opposition, in this case from principal Musgrove and his love of budgets, order, and apparently, Styrofoam. But these mini versions of Rosa Parks, Susan B. Anthony, and Cesar Chavez are not deterred. They knock fists and pronounce, Si se puede! Yes they can. They can get themselves in quite a heap of trouble. And while leading this revolution, Arlene finds herself marching farther away from the friend she always thought would be there. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
