Brand New Book ***** Print on Demand *****.Paul Day Chronicles - Love For The Very First Time (From the days of 1992) Do you remember falling in love for the first time? Those tingly feelings that wriggle and jiggle around in your stomach? Feelings that, for the first time, didn't come from a ride on a rollercoaster or appear a couple of hours after another of your Mum's undercooked Chicken dinners! The loss of appetite? That wasn't caused by your Mum's announcement that she was cooking another Chicken dinner! The feeling that you've met the one that you know you want to spend the rest of your life with? That special, indescribable time? For Paul Day that time was 1992, with a girl named Louise Knight. But is true love really worth it, when you are faced with having to attend geeky, after-School clubs or having to constantly let your friends down? Not to mention having to meet, and impress, over-protective parents for the first time? Taken from the comedy epic that is Paul Day Chronicles - Goodbye B.M.X. Hello S.E.X., this short adventure focuses on what it's like, for a sixteen year old School boy, to fall in love. But Paul Day isn't your everyday School boy - he is burdened by his unique brand of life chaos! Awkward, quirky, touching and laugh out loud funny; join Paul for his coming of age as he experiences what love is really like for the very first time.
