

Breaking Free of the Matrix: Exploring Spiritual Allegory, Social Commentary and Positive Psychology Woven Within the Blockbuster Trilogy (Paperback)

By Rick Saldan

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.While it has been a number of years since The Matrix first hit the big screen, the life lessons that so many of us enjoyed in the film seem much more pertinent today than they did a decade ago. The Matrix has layer upon layer of metaphor for the world we live in today. Just as Neo saw the Matrix crumbling around him, we are in similar circumstances where we the very fabric of our society crumbling around us. Gone are the days of the concept of job security where your father worked at a company for 30 years and provided a sense of stability to your household. Now nearly every state in the country has adopted at will employment laws, which means that any employee can be terminated for no reason whatsoever. Huge American corporations like IBM with its 386,500+ employees actually have more people employed overseas than they do here in America. This is a growing trend that won't stop as corporate greed for greater profits becomes more irresistible. Many large corporations are outsourcing their higher paid jobs overseas...
