## KENNEDY: HIS LIFE AND LEGACY

[DOWNLOAD](#)

I-5 Publishing, United States, 2014. Paperback. Book Condition: New. 272 x 198 mm. Language: English . Brand New Book. Commemorating the fiftieth anniversary of the untimely death of America's most popular president, *Kennedy: His Life Legacy* is a candid look at the charisma and excitement that captured the nation during John F. Kennedy's one thousand days of Camelot. Editor Ben Nussbaum has compiled a collection of riveting chapters that discuss the influence and money of the Kennedy clan, the politics and unique circumstances that led to JFK's election, his presidency, his family, and his assassination. The book convincingly debunks the major conspiracy theories that mushroomed on our nation's darkest day, when the much-loved young president was violently slain in the streets of Dallas, Texas. Concise and colorful, this 96-page book offers readers a snapshot of President John Fitzgerald Kennedy and a glimpse at what made Americans fall in love with the thirty-fifth president during a time not only of great population and economic growth but also of pressing international conflicts with Vietnam, the U.S.S.R., and Cuba. Over five decades since JFK's election, he remains the most highly rated President, according to a Gallup poll; during his brief presidency, his approval rating of 70.1 was the highest of any post-World War II chief executive. A handsome young Boston native, from one of America's wealthiest and most influential families, JFK declared on the day of his inauguration that the country was now a new generation of Americans, and citizens responded enthusiastically to the new president's positive outlook, charisma, and confidence. By 1960, the United States of America had emerged as the world's only superpower, and JFK, as the first president born in the twentieth century, represented hope, prosperity, and strength to the world at...
