## Simulations (Paperback)

By Jean Baudrillard

AUTONOMEDIA, United States, 1984. Paperback. Condition: New. Language: English . Brand New Book. Baudrillard's bewildering thesis, a bold extrapolation on Ferdinand de Saussure's general theory of general linguistics, is in fact a clinical vision of contemporary consumer societies where signs don't refer anymore to anything except themselves. They all are generated by the matrix. Simulations never existed as a book before it was translated into English. Actually it came from two different book covers written at different times by Jean Baudrillard. The first part of Simulations, and most provocative because it made a fiction of theory, was The Procession of Simulacra. It had first been published in Simulacre et Simulations (1981). The second part, written much earlier and in a more academic mode, came from L'Echange Symbolique et la Mort (1977). It was a half-earnest, half-parodical attempt to historicize his own conceit by providing it with some kind of genealogy of the three orders of appearance: the Counterfeit attached to the classical period; Production for the industrial era; and Simulation, controlled by the code. It was Baudrillard's version of Foucault's Order of Things and his ironical commentary of the history of truth. The book opens...

### Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You won't really feel monotony at any moment of your own time (that's what catalogs are for about should you request me).*
