

One Last Hug Before I Go: The Mystery and Meaning of Deathbed Visions

By Carla Wills-Brandon M. A.

HCl. Paperback. Condition: New. 300 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. Death is one of life's greatest mysteries. Over the years, the bestseller lists have contained many works on death-related phenomena: Betty Eadie's *Embraced by the Light*; James Van Praagh's *Talking to Heaven*; and Raymond Moody's *Life After Life*, are just a few. *One Last Hug Before I Go* is the first book to explore in depth the Deathbed Vision (DBV). Complete with the author's own encounters and those of over forty other DBV experiencers, this revolutionary work provides research information from the early twentieth century through the present. Included are: survivors' detailed accounts of their departed loved ones' visions and final words; the survivors' mystical experiences and premonitions preceding a loved one's passing; accounts of seeing the soul leave the body; and after-death communications. These final words and visions from the dying provide a poignant, final farewell hug to loved ones, offering peace of mind and hope for an eventual reunion. After finishing this fascinating book, readers will come away with a better understanding and acceptance of the process of death and see it as a spiritual adventure, not a sad and fearful ending to life. This item ships...

Reviews

This is basically the very best book I have read right up until now. It is definitely simplistic but excitement in the 50% from the ebook. Your daily life period will likely be transformed as soon as you total reading this article/pdf.

-- Prof. Ambrose Pollich DDS

Merely no words to clarify. I could comprehend almost everything using this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lori Terry
