

## Secrets of the Human Body (Paperback)

By Chris Van Tullekin, Xand van Tulleken, Andrew Cohen

FIREFLY BOOKS, 2017. Paperback. Condition: New. Language: English . Brand New Book. An exciting visual guide to the unseen and unknown wonders of the human body. 206 bones. Ten fingers. Two eyes. One heart. We may think we know the human body, but it turns to hold a lot of surprises. Published to coincide with a major new prime time BBC series, this specially commissioned book combines cutting-edge science with cutting-edge technology to present the human body as we've never seen before. Pioneering specialist photography and digital effects allow readers to catch a tantalizing glimpse beneath our skin, leading to wondrous discovery of the secrets that make every ordinary human body . extraordinary. What makes tears of joy different from tears of sadness? Why is a gut feeling so much smarter than you think? And why is 90 percent of you not even human? We may think we know the human body -- heart, lungs, brain and bones -- but it's time we think again. The human body is full of extraordinary mysteries that science is only just beginning to understand. This exciting book -- packed front to back with color photographs and illustrations, clear text, cut-away drawings,...
