By Ravindra Negi

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Graphology or Handwriting analysis is the most powerful science of understanding the strengths and weaknesses of a person. Your handwriting and signature reflects your personality. It shows how you think, feel and act, what personality traits you possess and what you lack. It shows how you perceive yourself and how you want others to perceive you. It shows whether you have the required traits to make you rich and successful. Change your Handwriting and Signature and become Successful Incorporating changes in handwriting and signature as suggested in the book will actually program key success traits into your personality, simply by changing the way you form certain letters. Just as handwriting reveals clues about our existing personality, we can use that same information to make lasting change in the direction of improvement. Because we already know the specific strokes which identify personality traits, we can use that information to model certain strokes to attain the corresponding positive personality traits which will help you to assist you in achieving your dreams. It will improve your Self-Image, Love Life, relationships, self Confidence,...
