Bantam Doubleday Dell Publishing Group Inc, United States, 1999. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Caroline Fremont Jones revels in her return to San Francisco, where a new city rises from the ruins of the 1906 earthquake. Even more rewarding is her business partnership and rekindled love with ex-spymaster Michael Archer Kossoff. But their private investigation agency is barely off the ground when Fremont s new friend, lovely but quirky Frances McFadden, becomes their first client--and it s a most troubling case. The adventurous but skeptical Fremont, lured by Frances to a seance, sees her companion fall into a disturbing trance. Despite the opposition of her powerful, controlling husband, Frances is determined to develop her budding psychic ability. Soon she confides to Fremont that a restless spirit from San Francisco s legendary past has entrusted her with a mission. But when one of the city s female mediums is murdered, and then another, Fremont s reservations turn to dread. Who has killed these women who wield their own power in the metaphysical world, and why? As Fremont s investigation takes her into the murky depths of spiritualism, she places not only herself, but also her dearest friends in mortal danger.
