

Twelve Keys of Basilius Valentinus Second Edition (Paperback)

By Philip N Wheeler, Basilius Valentinus

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Twelve Keys of Basilius Valentinus is one of the most important alchemical works available to modern students. His writings contain much of interest to the student of alchemy. Whether Basil Valentine is the correct name of the author or an alias does not matter since it detracts nothing from his work or the value of his experiments.

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
