Brighton Publishing LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the story of Beth. But it is also the story of many children of the past and today, and of many who have yet to be; little children who face trials far greater than their tender years and overcome them through the invisible power of hope. Hope that captures the heart in the face of seemingly impossible odds, hope that magically appears and takes hold in the mystical Land of Ominook. As the story goes, Beth is chosen to travel beyond the Realm of Deep Life. Her Grandmother, Momay, leads her to hope by way of an old, old story passed down through the centuries. Beth travels beyond space and time to walk among the Opinocks, the creatures who serve, protect, and heal the children of Earth as they pass through the valleys of pain and fear. She opens her heart to strange beings who respond with kindness-and a bit of humor. Beth finds courage she didn't know she possessed, and even learns to laugh again. You, too, will find that the Nook beyond the stars abides within. And just like little Beth, you will find that the first step of the journey is to close your eyes.
