

Emergency Radiation Medical Handbook: The Essential, Mandatory Guide for Citizens and Responders to Nuclear Events (Paperback)

By James W Forsythe MD

Century Wellness Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With your family, you re in extreme danger of radiation sickness likely to cause cancer or death. The Department of Homeland Security warns that it s not a question of if an attack will occur but rather when. Meantime, as radiation from Japan enters North America s milk supply, many experts worry the danger from nuclear reactors has intensified, while radiation from natural sources poses a significant additional threat. James W. Forsythe, M.D., H.M.D., heralded as perhaps the world s only integrative oncologist who has treated hundreds of people suffering from radiation-caused cancer, issued this vital publication in response to urgent public requests from around the globe. With author Wayne Rollan Melton, a former editor-on-loan to USA Today, Forsythe created this Emergency Radiation Medical Handbook.
