Timeline Books, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Several articles have been written over the past 90 years about the Orpington car. Unfortunately, a lot of what s been written about this long-forgotten car is contradictory, or bordering on absolute guesswork in many instances. The content of this book has been thoroughly researched by the author, mainly to put the record straight and right the unintentional wrongs that have been made since the 1920s, when the first and reportedly last Orpingtons were made. This book, believed to be the first ever to concentrate solely on the Orpington car, follows the author s extensive and intensive study into the car s proper history.
