

Adventures in the Ancient World: 4-The Wanderer's Necklace Eric Brighteyes (Hardback)

Filesize: 4.76 MB

Reviews

A brand new e book with a new perspective. Better then never, though i am quite late in start reading this one. I found out this ebook from my dad and i advised this publication to find out.

(Hailee Hahn IV)

ADVENTURES IN THE ANCIENT WORLD: 4-THE WANDERER S NECKLACE ERIC BRIGHTEYES (HARDBACK)

Leonaaur Ltd, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The final volume in this stunning series of adventures in the distant past Rider Haggard is one of the most famous authors of adventure fiction in the English language. Almost everyone has heard of Allan Quatermain-the hero of King Solomon s Mines-and the beautiful, ruthless, magically immortal Ayesha-She who must be obeyed. All of Haggard s novels and stories featuring both characters are available in handsome Leonaaur editions. Haggard was a prolific writer so it is not surprising that only a few of his titles are widely known-and read-by an audience which would enjoy them all. The essential elements of his most famous creations-the great African continent and ancient civilisations, mysterious and exotic, mythical, imagined or real, are combined in a number of his novels and stories and these too have now been collected by Leonaaur into a special four volume set-African Adventures. Readers will therefore be unsurprised to learn that Haggard could not resist writing a number of tales about ancient civilisations, or that in these he naturally gravitated towards the most evocative of them all-the world of the Ancient Egyptians and the other peoples of the Mediterranean and the Middle East. This is a stunning body of fiction which Leonaaur has gathered together into a four volume set-each successive volume following a chronological time-line along the sweeping march of history. Lovers of Rider Haggard s tales of high adventure will find much to satisfy them in the first novel of this, the final volume in this special Leonaaur four volume collection of nine of the author s forays into the ancient world. It is now 800 AD and the setting of this great Haggard adventure moves between Jutland in the...
