THE ESCALANTE ENIGMA

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Mitch Blaine never could refuse the plea of a beautiful woman. When Ronnie McCall, Mitch's long-forgotten love, shows up out of the blue begging for help to locate her lost husband and brother—both U.S. Air Force special ops officers who have disappeared in Texas—Mitch, an ex-Australian Air Force and airline pilot now living a sybaritic life on his own WWII PB4Y flying boat in Sydney Harbor, agrees to come to the rescue. Mitch and Beyer, his retired physicist partner, decide to literally fly to Ronnie's aid in the PB4Y, the Wayward Wind. Their flight across 8,000 miles of Pacific Ocean and into the vast, rugged, and unexplored canyons of the Escalante River in Utah is harrowing enough. But their attempts to trace the missing airmen turn dark and dangerous as they stumble upon something sinister and supernatural in the heart of the Navajo Nation. What they discover in that maze of mysterious canyonlands turns out to be far more eerie, bizarre, and deadly than they could ever imagine in their wildest dreams. The Escalante Enigma is an action-packed novel set in the heart of the American Southwest. Filled with high drama, the book is both gripping and beautifully rendered.
