### **Reviews**

*I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).*  
*(Prof. Jeremie Kozey)*

## DRAWING CONCLUSIONS (PAPERBACK)

Penguin Books, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Donna Leon s latest New York Times bestseller is one of her best (Booklist, starred review) Twenty years ago Venetian Commissario Guido Brunetti and his creator, Donna Leon, first introduced readers to the delights-and dangers-of Venice. Now they have millions of devoted fans. In Drawing Conclusions, a young woman arrives home and senses that all is not right in the apartment below. When she investigates, she finds her neighbor lying lifeless on the floor. The autopsy shows that the widow s death was due to a heart attack, but Brunetti is convinced that things are not as straightforward as they seem. With her signature combination of humanity, nuanced detail, and psychological insight, Leon s twentieth Brunetti mystery reaffirms her place in the pantheon of crime fiction.
