This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

In 1998 three heavily armed survivalists came out of the Four Corners canyons in a stolen truck, murdered a policeman -- and eluded an epic manhunt. The crime and the bungled FBI investigation left behind a web of mysteries. The most puzzling of all: what crime were the men enroute to commit when Officer Dale Claxton stopped them -- and paid for his bravery with his life? Tony Hillerman assigns these real-life puzzles to his fictional Navajo Tribal police officers -- Sergeant Jim Chee and Lieutenant Joe Leaphorn (retired). The time is now, and the memory of the mishandled manhunt of 1998 is still painfully fresh when three men stage a pre-dawn raid on the Ute Tribes gambling casino, and then disappear in the maze of canyons on the Utah-Arizona border after killing a policeman. Together, Chee and Leaphorn discover an intriguing pattern connecting this crime with the exploits of a legendary Ute herobandit. Tightly plotted and beautifully written, *Hunting Badger* proves once again that no one tells a story like Tony Hillerman. Performed by George Guidall This item ships from multiple locations.
