St Martin's Press. Paperback. Book Condition: new. BRAND NEW, In the Air Tonight, Lori Handeland, In the small Wisconsin town of New Bergin, Rachel Larsen has never fit in. She's adopted and everyone knows it. In a place where strapping Scandinavian farm folk produce children like bunnies, she's also the only child. To top it off, her hair is black and her eyes are brown in the land of the blonde and the blue. But what really makes her different are the ghosts. They're everywhere. Raye knows better than to admit to being anything out of the ordinary. But things are about to get even more extraordinary when a sexy detective from New Orleans, Bobby Doucet, comes to town to investigate a series of murders. He awakens things in Raye she never knew existed. And shows her the possibility that she has powers beyond her knowledge.
