CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 120 pages. Dimensions: 10.9in. x 8.3in. x 0.4in. This book has been developed as a low-cost alternative 200 question practice PMP Exam for those studying for the new (Summer 2013) version of that exam, as it has changed to accommodate the 5th edition of the PMBOK Guide. The authors opinions regarding what makes a good exam question, and of the trends in the PMBOK Guide as it has matured through five editions, are captured in the questions inside. The exam is tightly aligned with the PMP Exams specification in its construction. The answer section shows a process group, knowledge area and specific PMBOK Guide reference point to make the process of learning and re-learning easier. The book is capped off with a one page summary view of the answers and their associated process group and knowledge area references. For those studying for the CAPM Exam, please look for my new sample exam book addressing that exam, due out in Mid-September 2014. This item ships from La Vergne, TN. Paperback.
