Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Code of Hammurabi, King of Babylon About 2250 B. C: Autographed Text Transliteration Trans, Lation Glossary Index of Subjects, Lists of Proper Names Signs Numerals, Corrections and Erasures With Map, Frontispiece and Photograph of Text In January, 1903, I planned to give a transliteration and n translation of the Code of Hammurabi in the July or October number of The American Journal of Semitic Languages and Literatures. It soon became evident that it would be necessary to moke a careful study of the Text of the Code as published in photographic reproduction by Pater Scheil in his excellent commentary on the Code. This study led to the autographing of the Text so as to make it available to students. Later, in consultation with my brother, President William Rainey Harper, it was decided to make the plan more complete and to publish the results of our studies in two volumes, the first to contain the Autographed Text, Transliteration, Translation, Index of Subjects, Lists of Proper Names, Signs, Numerals, Mistakes and Erasures; the second to discuss the Code in its connection with the Mosaic Code. A Transliteration and Translation were made before August first., 1903. The Autographed Text was published in the October number (1903) of AJSL. The Lists of Signs, Numerals, Mistakes and Erasures were made ready in October and the first week of November and were printed in the January number (1904) of AJSL. Since August few changes have been made in the Translation. The Transliteration, however, has undergone many minor changes. Both xvero ill final proofs when I received Muller s Die Qcscslzc Havimurabis on December twenty-ninth, 1903, and Kohler and Peiser s...
