Read Books, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This antique volume contains a detailed guide to the designing and construction of a stable, with information on single-horse stables, equipment, common problems, materials, and more. Including simple, easy-to-follow instructions and all the fundamental information required for such an endeavour, this text will be of considerable value to the farmer or carpenter interested in stable construction. It constitutes a worthy addition to collections of carpentry and general agricultural literature. The chapters of this text include: The Stable: Its fittings, Adjuncts, and General Equipment ; Small Stables for One Horse ; Details of Stable, or Building to Serve as a Stable ; Adaptation of Building as Stable ; Position of Loft for Stable ; Door in Gable End of Stable ; Opening Over Rack ; etcetera. We are proud to republish this vintage book, now complete with a new introduction on the care and management of horses.
