The human mind is deceitful above every other part of the human anatomy! Someone said that it is deceitful above all things and desperately wicked; who can know it! Most people think that when the Bible speaks of the heart of men: it is speaking of the physical heart organ which pumps blood throughout the human body! This is a misconception of the meaning of the word! However, there is one place within the scriptures where it does refer to the physical heart organ and that is where Jesus was talking with his disciples concerning the signs of the end times: he told them that one of the signs would be that men's hearts (physical organ - muscle) would fail them because of the evils that were coming upon the earth! In this book however, I focus on the mind of humans; which in scripture the heart is symbolic to the mind! This fact needs to be understood today as many do not comprehend this fact! Just as Jesus explained to his disciples the fact that what a man eats or takes within his body cannot defile him as it does not enter his mind; likewise, what comes out of the man, that is his mind: does not come from within his physical heart muscle but from within his mind, his intellect, his innermost being; thus defiling the man! We have been led to believe that our thoughts and emotions lie within the physical heart muscle but this is simply not true! The purpose of the physical heart muscle is only to circulate the lifeblood of humans and animals throughout the body as the life of all flesh is the blood...
