Sinai Live Books, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The hurried pace of our lives and the all-consuming demands of our daily activities often leave us unable to pursue answers to the profound questions that define our existence and purpose on Earth. This book offers an exploration into some of these fundamental questions: How can we live lives that are spiritually ennobling and personally fulfilling? How can we be blessed with achievements that leave the world enriched by our presence? Rabbi Blech's observations are informed by decades of study and personal wisdom, yet distilled to a few pages each. As Chief Justice Oliver Wendell Holmes once observed, a moment's insight is sometimes worth a life's experience.
