RISK ANALYSIS IN THEORY AND PRACTICE

Academic Press. Hardcover. Book Condition: New. This item is printed on demand. Hardcover. 247 pages. The objective of this book is to present this analytical framework and to illustrate how it can be used in the investigation of economic decisions under risk. In a sense, the economics of risk is a difficult subject: it involves understanding human decisions in the absence of perfect information. How do we make decisions when we do not know some of events affecting us The...
